PROJECTS

Resume Builder | Html, CSS and JavaScript | 🐙 | 🔗 Aug 2024

- Designed an interactive **Resume Builder application** that allows users to create, customize, and download their resumes easily and effectively.
- Utilized **HTML** for structuring the content, **CSS** for styling, and **JavaScript** for Previewing for immediate feedback on edits and Download Resume using **jspdf Library**.
- Key Features:** **Downloadable PDF generation**, and **user-friendly form validation**.

Personal Portfolio | Html, CSS and JavaScript | 🐙 | 🔗 May 2024

- Designed and structured a responsive **Personal portfolio** using HTML, CSS, and JavaScript to showcase my projects and skills.
- Implemented a clean and user-friendly interface, ensuring seamless navigation across different sections.
- The site is fully **responsive** and optimized for both desktop and mobile devices.

Online Code Editor | Html, CSS and JavaScript | 🐙 | 🔗 Mar 2024

- Created a fully functional **Online code editor** that allows users to write, edit, and preview HTML, CSS, and JavaScript code in real-time and ensuring usability across various devices and screen sizes.
- Real-time rendering of HTML, CSS, and JavaScript code, into the output preview area with a single click.
- Usability Enhancements:** Added buttons to clear the editor and copy code to the clipboard.

ACHIEVEMENTS

Infosys Springboard | SQL Certification Sept 2024

- Completed **SQL Certification** from **Infosys Springboard**, gaining practical skills in database management and query optimization.
